Print on plain white paper.

Type appropriate information on card.

Option 1: use built-in Acrobat form fields above.
Option 2: delete default entries above and print prop "blank". Then put blank card into an actual typewriter, or use your choice of word-processor / page layout software with alternative fonts.

After information is entered, fold on dashed line and glue sides together. Trim on crop marks. Slightly rounded corners would be most authentic.

Don't forget the signature. Laminate if possible.
